

## TEXTBOOKS AND STATIONERY REQUIREMENTS 2018

As a public school we undertake to provide text books for all subjects, as far as possible. These books represent a significant financial outlay and we ask parents/guardians to ensure that the books are covered in plastic and are kept in excellent condition. The books will have to be returned when requested. Your daughter/ward will have to complete a Clearance Form at the end of each year, and the return of all her text books is necessary before this can be signed off.

The following reference book, which will be useful to your daughter/ward throughout her school career and beyond, should be purchased from the school's Finance Office at a cost of R140,00:

**A Skills Standard for Budding Scientists and Other Students** by James Buchanan.
