

## WORKBOOK AND STATIONERY REQUIREMENTS GRADE 8 - 2017

As a public school we undertake to provide text books for all subjects, as far as possible. These books represent a significant financial outlay and we ask parents/guardians to ensure that the books are covered in plastic and are kept in excellent condition. The books will have to be returned when requested. Your daughter/ward will have to complete a Clearance Form at the end of her Grade 8 year, and the return of all her text books is necessary before this can be signed off.

The following reference book which will be useful to your daughter/ward throughout her school career and beyond must be purchased from the school's Finance Office at a cost of R140,00:  
**A Skills Standard for Budding Scientists and Other Students** by James Buchanan.
