

MEDIA PERMISSION FORM 2020

During the school year, photographs will be taken of the learners as they participate in various events in the school and on the sports fields.

These photographs may be accessed by the staff for inclusion in various media platforms, including newspapers, magazines and electronic media such as our webpage, facebook and twitter, as well as various presentations to parents/guardians and other interested parties.

The photographs may be of groups of learners or individuals and the learners' names may be used. For learner protection online, a learner's photograph and last name will not appear together on the school webpage. It is only when photographs are sent to the newspaper that learners' full names will appear.
